*Bow*

*Drumstick or Cluster Mallet*

Piano

\*Vibraphone must have a variable motor

This is a C Score

Total Duration 5'

## PROGRAM NOTE

'Chroma' means color, however it is more often used to describe the intensity of a color, or the amount of color reflected by an object.

All the notes that were used in this work were gathered from two generative tones, C4 (middle C) and E4. Conceptually, all the notes in this piece are part of a greater harmonic context. The piece is a process of revealing these origins, its colors.
